Why are duck stamps the perfect holiday gift?

Why are Federal Duck Stamps the perfect holiday gift?

Duck Stamps are:

Holiday Meals on Wheels for Wildlife

The wetlands purchased with Federal Duck Stamp dollars provide habitat for migratory ducks, geese and other wildlife. Hungry wildlife need places to feed and breed on their migratory routes.

Secure Investment for the Future

While few things are secure investments these days, the purchase of a duck stamp is still the best value you can get for your conservation dollars. Ninety-eight cents of every Duck Stamp dollar is used to purchase wetland habitat for wildlife. All proceeds from the purchase of Junior Duck Stamps go to support conservation education.

Free Pass

A current Duck Stamp can be used for free admission to any National Wildlife Refuge open to the public that charges an entrance fee. Duck Stamps are your all access pass to explore 96 million acres of refuges.

The Price is Right

At \$15 and \$5, Duck Stamps and Junior Duck Stamps are priced just right for stocking stuffers or small tokens for those who love wildlife. They make excellent secret Santa gifts for office parties, and a gift of a Duck Stamp will surely be the topic of conversation at any holiday table.

Hunting for That Holiday Meal

Remember if you are hunting for your holiday goose or fowl of choice, you'll need a Federal Duck Stamp. Buy an extra Duck Stamp, support bird conservation and

enjoy the special taste of a gum stamp. Taste the nostalgia.

For Collectors

Stamp enthusiasts all agree that collecting duck stamps are the "Hobby of the Future." We just think they are beautiful pieces of art you can enjoy in an album or on your wall. Buy a Duck Stamp or Junior Duck Stamp and marvel at the fantastic talent that most of us "artistically challenged" individuals wish we had.

Portable Packages

Tired of carting those heavy boxes and packages over the river and through the woods to Grandma's house? Shipping holiday gifts is expensive and cumbersome, and airport security is always a pain. Buy Duck Stamps! Duck Stamps are completely portable. Just slip them in a holiday card and your wrapping is done. Signature is optional.

Last Minute Holiday Gift Idea

What to get for the friend who has everything? How about a Duck Stamp or Junior Duck Stamp! They may have every CD and electronic gadget, but we bet they don't have a Duck Stamp! It's the gift that keeps on giving all year long. Money from the purchase of duck stamps is used to ensure that waterfowl and other birds have places to thrive for generations to come.

What to Wear

Duck Stamps and Junior Duck Stamps color coordinate with any outfit. The lively colors and interesting art work can be proudly displayed on any suit jacket or blazer. We promise that accessorizing with Duck Stamps will generate much conversation, making you the life of the party at any holiday event.

No More Holiday Bulge

Duck Stamps are 100% fat and sugar free and make wonderful gifts all year round. No special preparation is required, just buy them at your local post office, online or many National Wildlife Refuge visitor centers and give a healthy gift alternative - good for people and wildlife.

Duck Stamps and Junior Duck Stamps help ensure our children learn about conservation, have places to watch wildlife and explore, and enjoy their time outdoors. What could be a better gift than that?

Happy Holidays !
