The Wetlands Institute is currently accepting applications for the position of **Seasonal Naturalist**.

- Assists the Director of Educational Program Development and other Education staff in teaching standardized programs to groups of students from grades preK-12. These programs include Wetlands Ecology, Barrier Beach Ecology, Cycles of Life, Beach Exploration, Horseshoe Crabs and Shorebirds, Turtle Talk and Marsh Critters Discovery Walk.
- Will help with the supervision of student groups during lunchtime, in bathrooms, and in the Tidepool Shop.
- Assists with maintenance of teaching supplies.
- It is expected that this position will work no more than 25 hours per week from approximately late-April to mid-June and mid-September to mid-October.

### Qualifications

Education and Experience:

- Sufficient education and training to demonstrate an ability or aptitude to perform the above and related duties. A college degree in biology and/or educational field or current enrollment in such a college level course of study is preferred.
- Previous public speaking and/or teaching experience to a variety of groups ranging in all sizes and age levels is a plus.

Special Qualifications:

- Must be able to work outdoors in mud, sand, shallow water, and insects.
- Must be able to work in all conditions, including sun, rain, and wind.
- Some heavy lifting (up to 50 pounds) may be required.
- Final candidate will be subject to a background check.

### Applications

To apply please send cover letter and resume to Brooke Knapick, Director of Educational Program Development via email or USPS. Email is preferred. **Application closes September 2, 2013.**
