Branching Activities for From Nature to Craft

Coil Pots

Get your hands dirty and learn how to make traditional pottery! You can use air dry clay or learn how to process your own clay from the ground.

Pottery Guide

Make a Kokolesh

Try your hand at making a traditonal Lenape game! While the game is tradionally made with materials gathered from outside, you can use household items in their place.

Kokolesh Tutorial

Corn Husk Doll

The Lenni-Lenape children created these dolls to build the dexterity needed to do beadwork and weaving. Use dried corn husks to create your own!

Craft Tutorial

Bandolier Bag

While women made them, the bags were traditionally worn across the chest by men to complement ceremonial outfits, signifying social status and group identity.

Craft Tutorial

Reading Corner

These books highlight Indigenous traditions used by tribes around the country.
